Screw Thread Glass Vials

Our screw thread glass vials are designed for secure, reliable sealing with screw-on caps, making them ideal for a wide range of applications, from storing liquids to packaging dry goods. Available in both flat and round bottom styles, these vials come in Clear, Cobalt Blue, Green, and Amber, all crafted from high-quality Type I Borosilicate Glass with 51 and 33 Expansion options. Choose from a variety of sizes and capacities ranging from 1ml to 30ml. We offer in-stock Black Polyseal and Black Phenolic Caps for immediate delivery, ensuring your products are ready for use without delay. For added versatility, we also manufacture glass vials with orifice reducers for our 13mm, 15mm, and 18mm thread finishes.
